HARDY WILD FLOWERS FROM MONTANA

Mrs. Albert Obergfell
Sidney, Montana

1927

PRICE LIST

TERMS: Cash with Order. All items prepaid in U. S.
Where Total Order Amounts to \$3.00

Special discount for orders by 100 or 1000. Write for prices of what you want.

Any plant listed will stand 30 degrees below zero.

Achillea millifolium: White flowers. 8c each 80c Doz.

Allium reticulatum: A pretty dwarf white-flowering form that blooms nearly all summer. Very hardy, 5c each 50c per doz.

Anemone patens: Require a gravelly soil and grows in sun or shade. They appear shortly after snow disappears. They are commonly called "Wild Crocus" owing to their many striking similarities to the Crocus. The flowers range in color from almost white through blue to bluish purple. 5-6 in. 10c each, \$1.08 per doz.

Antennaria umbrinella: A low perennial with whitish flowers nearly all summer. 8c each, 80c per doz.

Aquilegia canadensis: One of our prettiest wild flowers, with yellow and red flowers an inch long. 10c each, \$1.00 per doz.

Aragalus Lambertii: A low growing plant with red-purple to blue or white flowers in May. Leaflets silvery. 10c each, \$1.00 per doz.

Artemesi frigida: A silvery low growing plant that will do well in any good garden soil. 8c each, 80c per doz.

Astragalus trphylus: A low growing silver leaf plant with white flowers. These have to be sent in small seedlings as larger plants will not transplant. Blooms in May. Found growing in a clay soil. 5c each, 50c per doz.

Cactus Missouriensis: A cushion sort with yellow flowers. 8c each, 80c per doz.

Cactus viviparus: A cushion sort with purple flowers. 8c each, 80c per doz.

Cactus Clumps: Oftimes these are found in clumps of from 3 to sometimes as high as 30 or more. There will be one large one in center with small ones around it. These I will sell at the following prices:

Clumps from 3 to 515c each.

Clumps of from 5 to 1025c each

Clumps all over 1030c each

Calceolarius Nuttallii: "Mariposa Lily" is a very desirable plant grows on southern slope of hills in rocky soil. 5c each 50c per doz.

Castilleja sessiliflora: 10c each, \$1.00 per doz.

Cerastium arvense: A low growing plant with white flowers, blooms in early summer. Will do well in any good garden soil. 8c each, 80c per doz.

Cogswella Montana: A low growing plant that bears heads of white or yellow flowers nearly all summer. 5c each, 50c per doz.

Comendrea umbellata: Flowers like small white stars in clusters, will do well if given a sunny location. 8c each, 80c per doz.

Corydalis aurea Willd: Flowers yellow May and June 10c each, \$1.00 per doz.

Campanula rotundifolia: The Little Harebell. Well known and beloved. 8c each, 80c per doz.

Delphinium bicolor: Low Larkspur. 10c each, \$1.00 per doz.

Dodecatheon acuminatus: A pretty, perennial with white flowers in May or June. Found growing in moist places in full sun. 10c each, \$1.00 per doz.

Dodecatheon salium: In several shades of rose. 5c each, 50c per doz.

Disporum trachycarpum: White bell flowers, grows in shade. 10c each, \$1.00 per doz.

Erigeran pumilus: White, Daisy with yellow center, it blooms in June. 10c each, \$1.00 per doz,

Eriogonum flavum: Yellow flowers in June. 10c each, \$1.00 per doz.

- Erysium asperum*: "Western Wallflower", yellow flowers in June. Give a sunny location. 8c each, 80c per doz.
- Fritillaria autropurpurea*: A dainty three-petaled purple and mottled nodding flower, grows from a bulb in a soft sand. Is a very desirable plant and easily grown in cultivation. 5c each, 50c per doz.
- Gaillardia aristata*: A yellow Daisy with brown center, blooms in July. 12c each, \$1.25 per doz.
- Galium boreale*: White flowers in June. 10c each, \$1.00 per doz.
- Gaura coccinea* Pursh: A low growing plant with scarlet blossoms in June and July. 8c each, 80c per doz.
- Gutierrezia*: Yellow flowers in fall. 10c each, \$1.00 per doz.
- Heucheria*: The beauty of this plant is in the foliage in that it stays green nearly all year. Will do well in both sun or shade. 8c each, 80c per doz.
- Lepachy Columnaries*: Yellow cone flower. 8c each, 80c per doz.
- Lesquerella alpina*: A low growing plant with small yellow flowers in June. Found growing among rocks. 8c each, 80c per doz.
- Lesquerella argeata*: Have fine yellow flowers in early spring, give a sunny location. 5c each, 50c per doz.
- Liatris*: Are easily grown in cultivation and will repay you if given a good rich soil and a warm sunny location. Purple flowers in July and August. 8c each, 80c per doz.
- Linum perene*: Another beautiful native. Very hardy and thrives well in any soil, producing a dense mass of stems covered with beautiful blue flowers in June and early July. 8c each, 80c per doz.
- Lithospermum angustifolium*: A low growing plant with pale yellow flowers from June until frost. 8c each, 80c per doz.
- Lobelia spicata*: Pale blue flowers with pale green leaves. Late fall. 8c each, 80c per doz.

Lupin: Blue flowers in early spring. 8c each, 80c per doz.

Lupin flexuosus: Blue flowers in July. 12c each, \$1.25 per doz.

Malvastrum coccineum: Is a good little plant that takes readily to cultivation and improves greatly. The skeliton-like grayish leaves round out to a wonderful degree in cultivation. The orange scarlet little blossoms are like tiny single hollyhocks, about one inch across, bourne in terminal clusters which keep growing and blooming nearly all summer, give a sunny location. 8c each, 80c per doz.

Mentha piperita: Amaronatic plant found in moist places will grow in any moist garden soil. Blue flowers nearly all summer. 8c each, 80c per doz.

Mentzelia ornata: Have beautiful ten petaled white flowers that do not open untill evening. In a letter from Mrs. Wilder she says hers were perfectly beautiful. 8c each, 80c per doz.

Opuntia humifusa: Very hardy, flowers yellow. June and July. 10c each, \$1.00 per doz.

Oreocarya affinis: White flowers in May and June. 8c each, 80c per doz.

Pentstemon acuminatus: Rises to a foot in height and bears beautiful widemouthed violet-blue trumpets in a handsome spike. 10c each, \$1.00 per doz.

Pentstemon albidus: "White Beard Tongue." 10c each, \$1.00 per doz.

Petalostemum candida: White prairie clover. 8c each, 80c per doz.

Petalostemum purpurea: Violet prairie clover. 8c each, 80c per doz.

Picredaia aculis: A yellow daisy like flower with narrow silver leaves, blooms in June. 10c each, \$1.00 per doz.

Phlox allysifolia: A low growing plant found on rocky hillside. Pink flowers changing to white, blossoms in May. 10c each, \$1.00 per doz.

- Phlox hoodii*: A charming gray-leaved white flowering dwarf, that blooms in May and June. Give a sunny location. 5c each, 50c per doz.
- Potentilla pennsylvanica*: A low growing plant with yellow flowers in May and June. 8c each, 80c per doz.
- Pachylophus*: Fragrant primrose. 10c each, \$1.00 per doz.
- Ranunculus cymbalaria*: A low growing plant with yellow flowers, blooms in May. 5c each, 50c per doz.
- Ranunculus glaberrimus*: A low growing plant with yellow flowers, blooms in May. 10c each, \$1.00 per doz.
- Senecio fenderella*: Yellow Daisy in clusters, silvery foliage, blooms in June. 10c each, \$1.00 per doz.
- Senecio worneriaefolias*: Lighter leaves and narrow petals than *S. fenderella*. 10c each, \$1.00 per doz.
- Siversia ciliata*: Flowers rose to purple in June. Very scarce. 12c each, \$1.25 per doz.
- Sisyrinchium angustifolium*: Blue flowers. 5c each, 50c per doz.
- Smilacina stellata*: 8c each, 80c per doz.
- Townsendia exscapa*: "The Spring Daisy". Mrs. Wilder says of this plant: "One of the most winning of wild flowers that have been sent me from the west. It makes a little dusty-looking splash of narrow leaves upon the ground upon which sits in May the most ample and lovely an innocent pink Daisy with a wide yellow eye." It is perfectly hardy and entirely delightful. 10c each, \$1.00 per doz.
- Thermopsis Montana*: 8c each, 80c per doz.
- Tradescantia Virginica*: Has pretty blue, three-petaled flowers from June until frost. 8c each, 80c per doz.
- Viola*: For early spring the native violets are unsurpassed in beauty. The blue will stand either sun or shade and is greatly enlarged by cultivation, blooms in late May and early June. 8c each, 80c per doz.
- Viola Nuttallii*: A very low growing sort with yellow flowers. Grows in the open. 8c each, 80c per doz.

Viola bellidifolia: Blue flowers. 10c each, \$1.00 per doz.

Viola pedatifida: Found growing in the open. Blue flowers in June. 10c each, \$1.00 per doz.

Yucca glauca: Has stiff, sharp, evergreen foliage with many white to cream color flowers on strong erect stems, give a sunny location, blooms in July. 10c each, \$1.00 per doz.

SHRUBS

All Shrubs are 15c each, \$1.50 per doz.
